MINISTER FOR PUBLIC WORKS
10 FEB 1954
GOVT. OF MADRAS

Subject:- RESOLUTIONS passed in the District conference of the ryots held at Kumbla on 17th Jan.1954 - true copy forwarded - early action urged.

Sir

A district conference of Kisans (Ryots) of the South Kanara District was held at Kumbla on 17-1-1954. The conference having had a representative character representing ryots from almost all villages of the district, had adopted 7 important resolutions. The true co ies of the same are herewith forwarded for your earnest consideration.

The conference was presided over by Sri. Dinker Desai the vice-president of Hind Mazdoor Sabha, who is also a member of the Servants of India Society from Bombay.

In addition to its routine deliberations, the conference had seriously noted the deteriorating conditions of the ryots in the district.

As an immediate measure to remedine the situation, I request that you and the concerned department under you, should take early steps to fulfill the unanimous demand of the ryots.

An early reply/to the action taken may kindly be intimated to me.

Yours faithfully,

Abalappa

Dated,1 -2- 1954.

Following are the Resolutions passed in the District Conference of Ryots, which held under the auspices of the Praja Socialist Party and the Hind Kisan Panchayat on 17th January,1954 at KUMBLA:-

----------: RESOLUTIONS :----------

Resolutions No.1 :-

This conference after examining the provisions of the South Kanara Tenants' Protection Bill,1954, are of the considered view that to give full effect to the intentions expressed in the Statement of Objects and Reasons and also to avoid hardships to many tenants the following amendment is absolutely necessary, and therefore urges that this amendment should be incorporated in the Bill without any delay.

Amendment:-

In clause 3(2) sustitute "13-4-1953" in the place of 31-3-1953.

This amendment is necessary, as in the case of considerable number of Chalageni tenants the due dates for the annual payment of rent is Vishu Sankramana which usually is the 13th April.

Conference.

Resolution No.2:-

This conference demands the immediate introduction of a comprehensive tenancylegislation for South Kanara in view of the existence of peculiar land tenure systems in the District, and urges that this legislation should give adequate protection to the tenants in all mateer and in particular with regard to fixity of tenure, fair rent and compensation for improvements effected by the tenants.

For further details regarding the nature of the tenancy legislation this Conference reiterates the various suggestions contained in the memorandum adopted by the District Conference of the Hind Kisan Panchayat held at Kasaragod on 16-5-1953, and urges that these suggestions should be incorporated by the Government in the Tenancy Legislation.

This conference further suggests that the Government may convence a conference at Mangalore of difference interests in order to discuss the various suggestions place by us before the Government, so that the tenancy legislation might be enacted as early as possible before the expiry of the South Kanara Tenants' Protection Act.,1954.

Resolution No.3.

In the absence of early available Credit on reasonable terms, in the rural areas of the District, this conference urges that the Government should immediately introduce a State system of rural credit under which Creditors should be in a position to secure adequate loans on easy terms.

Resolution No.4:-

In view of the fact that there is very considerable scope for the execution of small scale irrigation scheme in the District this conference urges that Government should undertake the execution of a small scale irrigation programme in which the following schemes among others should be included and executed immediately:-

1. Dam across the Payaswini River at Arayanadka in Karadka village.
2. Dam across the Shiriya River near Bombrana.
3. Dam across the Mogral river at or near Kotakunja in Puttur.
4. Dam across the Pushpagiri river at Kelkana in Koire village.
5. Dam across the Kandaka river at Ubaraka Mittur village of Puttur taluk.

President of the
Conference.

Resolution No.5:-

This conference view with grave concern the stoppage of the supply of the water for the 1st crop from Shiriya Anicut on the ground that the supply of water from the Anicut is ~~xxxxxxxxxxx~~ not necessary for the first crop. As a result of this stoppage the first crop suffers damage, the water is not wasted and also the ploughing of the 2nd crop becomes difficult as the soil gets dried and hardened during the period of the 1st crop. This conference therefore demands that full supply of water should be given for the first crop also.

President, of the
Conference.

Resolution No.6:-

This conference brings to the notice of the Government the prevelence of the different kinds of pests which effects and destroy the crops saved by the ryots leading to great loss and hardship. The present facilities offered are too inadequate and ineffective and even these existing meagre facilities do not reach the ryot in time and the ryots themselves are too poor and often illiterate and lack the resources to obtain them. Therefore this Conference requests the Government of Madras to provide adequate facilities free of cost to the ryots for com-

-bating effectively the different posts through the department.

President of the
Conference.
